From I-5:

SOUTHBOUND: Take the I-90 exit (Exit 164) toward Bellevue/Spokane. Merge onto I-90. Immediately get into the right-most lane. Take the first exit (Exit 3) for Rainier Ave. Turn right at the light onto Rainier Ave S. Go ½ mile. The Parent Trust Building will be on your left, at S. Walker St.

NORTHBOUND: Take the I-90 exit (Exit 164A) to merge onto I-90 East heading toward Spokane then follow directions above.

From I-90 Westbound: Take Exit 3A for Rainier Ave South, and merge onto Rainier Ave S. Go ½ mile. The Parent Trust Building will be on your left, at S. Walker St.

By Metro bus: There are several routes that service this area (4, 7, 9, 34, 42, and 48 stop very close by; other routes are a couple blocks walk away). To find your best route, use the Seattle Metro trip planner, <http://tripplanner.kingcounty.gov/>.

Parking: Parking is in the Parent Trust lots behind and next door to the building.

Finding the classrooms: Classrooms are accessed from the small parking lot to the rear, south side of the building.

Classroom A has its own entrance on the ground floor at the end of the small parking lot (the door is below the metal stairwell between the two buildings). You can also get to Classroom A by entering through the main ground floor entrance and making an immediate left, and another left at the end of the short hallway. To get to Classroom B, go in through the ground floor entrance, then up the indoor stairs, and the classroom will be on your right. Don't go up any outside stairs – they lead to a private office.
