

PARENT TRUST
FOR WASHINGTON CHILDREN

YEAR END DISCOUNT OFFER!!

Place an order between December 1-15th and get an additional **5% off** *Pregnancy, Childbirth and the Newborn* and *The Simple Guide to Having a Baby*.

Place your order for the book that is commonly referred to as the 'must-have childbirth book' between December 1st and 15th and get an additional 5% off already discounted bulk rates, while supplies last.

With over one million copies in print, *Pregnancy, Childbirth, and the Newborn* is one of the best-selling books about pregnancy on the market. More complete and up-to-date than any other pregnancy guide, this remarkable resource is "the bible" for childbirth educators. Now revised with a greatly expanded treatment of pregnancy tests, complications, and infections; expanded list of drugs and medications, plus advice for uses; and a brand-new chapter on creating a detailed birth plan. Reviewers on Amazon.com have stated that:

"I have never seen a book that is easier to understand or more informative about the different stages of pregnancy..." "It gives the fairest and most complete descriptions of the myriad medical options available to women before and during childbirth... It portrays pregnancy as a natural and healthful (but challenging) condition, not as an abnormality. It is the best of the many books available."

The following books are also available from Parent Trust:

For more information on our books please visit www.parenttrust.org/involved/webstore.asp. Please feel free to contact me with any questions about the books or your order. I look forward to working with you!
