

2025 Parent Trust Spring Fund Drive Corporate Sponsorship

Parent Trust (www.parenttrust.org) is a statewide nonprofit dedicated to preventing child abuse and neglect. We serve 15,000 people each year. We equip parents and caregivers to raise safe, healthy and strong children.

Parent Trust works with thousands of families each year that may not receive help for their parenting problems in any other way-- parents who are isolated, suffering from drug addiction and/or generations of trauma. They need support TODAY.

Our goal is a world where every parent can access the support and resources they need - a world where families are strong – and no child ever needs to enter foster care. Kids can't wait. Families can't wait.

Please sponsor our 2025 Spring Fund Drive Celebration and help keep kids safe and families strong – all while increasing your visibility with our donors, supporters, and the community!

Our 2025 Spring Fund Drive runs throughout the month of April – National Child Abuse Prevention Month-- and includes our in-person Taste of Spring event on May 8th at Callan Cellars in Woodinville, WA, where we expect 75-100 guests.

With your help, we can keep stress and adversity from becoming tragedy. Together, we can keep kids safe and families strong. Sponsorship automatically aligns your company with child abuse prevention and supporting families before tragedy strikes.
